We direct special attention to the following remarkable statements:

Dear Madame:—

Yours to hand. I recommend the Moore treatment because I have tried it, and know it to be just what he says it is. I was cured by it, and have remained so eight years; have known of many others being cured of the

very worst cases. By all means get it.

Yours truly, W. E. PENN.

Eureka Springs, Ark., May 24, 1894.

The above is a letter written by the late Rev. W. E. Penn, the noted Evangelist, to Mrs. W. H. Watson, Albion, N. Y.

Aerial Medication has triumphed and I am cured. One thousand dollars would be nothing compared to this. I have had bitter suffering from Catarrh. Since I had Lagrippe the disease settled in the back of my head and my sufferings have been almost unbearable. I thank God I ever heard of your treatment, which has no equal. I can speak in the highest terms of Aerial Medication.

MISS E. S. ORR,  
E. Harpswell, Maine.

**DEAF 25 YEARS.**

For many years I suffered from Catarrh, which destroyed my hearing, and for 25 years I was so deaf that I could not hear a clock strike by holding my ear against it. I had tried every known remedy, and nothing gave me the slightest relief. I obtained

Aerial Medication, and in three weeks my hearing began to improve, and now I can hear common conversation across a room; can hear a clock strike in an adjoining room, 30 feet away. I think I am entirely cured, and my hearing permanently restored.

EDWIN COLEMAN,  
Box 585, Wichita, Kas.

My age is 63. I suffered from Catarrh 10 years. Had intense headache. Continual roaring and singing in ears, took cold easily. My hearing began to fail, and for three years was almost entirely deaf, and continually grew worse. Everything I had tried failed. In despair I commenced to use Aerial Medication in 1888, and the effect of the first application was simply wonderful. In less than five minutes my hearing was fully restored, and has been perfect ever since, and in a few months was entirely cured of Catarrh.
